- 3) From the Chief Engineer(P), MBNR Lr.No. CE(P)/MBNR/RDS/Road/1468, dated 05-11-2013.

ORDER:

In the references read above, the Chief Engineer(P), Mahabubnagar has submitted that Rajoli is one of the major villages in Waddepally Mandal of Mahabubnagar District. The village is located on the left bank of Tungabhadra river in the foreshore and adjacent to Sunkesula bridge. The population of village is more than 18000 and there is one major approach road for the village i.e., road from Rajoli to Ashoknagar camp along the distributary No. 25 of RDS canal.

2. The Chief Engineer(P), MBNR has further submitted that during the heavy floods and rain in the month of October, 2010, Rajoli village was totally submerged with flood water and the above road was completely damaged and washed away. Normally in every year during flood season the water enters into the village as it is surrounded by number of streams and is on the bank of river. The villagers have represented several times to form a permanent road from the village to Ashoknagar along the distributary No. 25 as it is very nearer for the villagers to reach Raichur- Alampur main road safely.

3. The Chief Engineer(P), MBNR has, therefore, furnished the estimate for "Improvement of road from Ashoknagar to Rajoli road from Km 5.00 to Km 12.00 (along the D-25 inspection path) in Mahabubnagar District" for an amount of Rs 2.73 Crores as per SSR of 2013-14 and requested for according administrative approval to the estimate.

4. Government after careful consideration hereby accord administrative approval for the work "RDS- Improvements to road from Ashok Nagar to Rajoli (V) from Km 5.00 to Km 12.000 (along D/25 canal inspection path) in Mahabubnagar District" for an amount of Rs 2.73 Crores (Rupees Two crores and seventy three lakhs only) as per SSR of 2013-14.

5. The estimate shall be chargeable to the Head of Account "4700 COL on Major Irrigation 01- Major Irrigation MH 108 Rajolibanda Diversion Scheme GH Normal State Plan SH (27) Canals and distributaries 530/531 O.E".

6. The Chief Engineer (P), Mahabubnagar shall take necessary action accordingly.
